

Impact Evaluation of the Interreg Mediterranean Programme 2014-2020

Period of performance: 2020-2021

The impact evaluation of the Interreg Mediterranean Programme 2014-2020 was carried out between February 2020 and April 2021. The evaluation notably focussed on the role of the new Programme architecture as well as on the effects of the Programme's results have made and their contribution to the public policies in the Mediterranean area.

Number of partnerships and number of beneficiaries per NUTS 2 region in SO 1.1, © ÖIR GmbH

The project team carried out, inter alia, two surveys, interviews, data analyses, a social network analysis and a policy mapping.

Project team: Helene Gorny; Manon Badouix, Roland Gaugitsch, Bernd Schuh

Client: Région Provence Alpes Côte d'Azur
