

Programming of Just Transition Fund in ESF+ OP 2021-2027

Period of performance: 2021-2022

The Just Transition Fund (JTF) 2021-2027 is implemented in Austria through ESF+ and ERDF, each as a separate priority. The two programmes include a JTF-programme complement.

Polluting sectors and GHG emissions, Source: Environment Agency Austria (Umweltbundesamt), Climate Protection Report 2022

The service included the elaboration of a contribution to the Just Transition Plan as well as the elaboration of the content of the ESF+ Programme complement of the JTF – formulation of the strategy, setting and justification of the measures, target groups, detailed specifications, monitoring and provision of expert inputs on relevant topics of the programming.

Project team: Bernd Schuh; Kinga Hat, Arndt Münch

Client: Federal Ministry of Labour (formerly Federal Ministry of Labour, Family and Youth)
